

Shipping Policy

1. Shipping Methods and Estimated Delivery Times

At One Stop Solutions, we are committed to providing our customers with the best possible shopping experience. We partner with BlueDart, a trusted courier service in India. We understand the importance of prompt delivery and strive to ensure your order reaches you as quickly as possible.

2. Processing Time

We aim to process and ship your order with efficiency and care. Most orders are processed within 7-10 business days (excluding weekends and holidays). For personalized or customized items, please note that longer processing times may apply. During the checkout process, we will provide you with an estimated delivery date.

3. Shipping Rates

Shipping rates are calculated based on the selected shipping method, the weight and dimensions of the items in your order, and your shipping destination. You can review the shipping costs for your order during the checkout process before completing your purchase.

4. Shipping Destinations

One Stop Solutions currently ships within India, ensuring that our products reach customers across the country.

5. Order Tracking

Upon shipping your order, we will send you a shipping confirmation email containing a tracking number. You can use this tracking number to monitor the status and progress of your shipment. Please allow some time for tracking information to become available after your order is dispatched.

6. Shipping Duration

While our maximum estimated delivery duration is 7-8 days, we are dedicated to providing the fastest possible delivery service. Our goal is to ensure that your device reaches you as soon as possible, and we make every effort to meet or exceed your expectations.

8. Lost or Damaged Packages

In the rare event that your package is lost or arrives damaged, please contact us immediately. We will work closely with our courier partner, to address the issue promptly. And we are committed to resolving any such situations to your satisfaction.

9. Device Packaging

We take great care to pack all products with the highest standards of delivery in mind. Our packaging is designed to minimize the risk of damage to the device during transit, ensuring that your MacBook arrives in pristine condition.
